Re: Contract [redacted]

Dear Sir:

25X1

In accordance with instructions in Article VIII Conflict of Interest of the subject contract, I request permission to perform services for [redacted]
[redacted]

25X1

The work concerns the design of a custom enlarger and slide maker. The ultimate consumer is, I believe, NASA. Since the work must begin quickly and the first phase is to be completed by December 15, it is important that I have an answer by Friday, November 20, 1964.

I would greatly appreciate your immediate consideration of and response to my request.

Very truly yours,

25X1
